Dear Lost Lake Run Participants,

I am writing to offer my sincere thanks for the work you have done to fight Cystic Fibrosis and to congratulate you all on your achievements thus far. You should be very proud of what you have accomplished!

I understand that your steadfast dedication and tireless efforts to fight CF play a critical role in the development and testing of new treatments for this deadly disease. The fight against CF could not succeed without people like you. Thanks to the volunteers, families, donors, and scientists such as yourselves, the future is bright in the fight against CF. From the research you conduct to the Annual Lost Lake Run you host, it is people like you who are making a difference in the lives of many who suffer from CF. Your hard work and persistence could not be more important.

I would like to personally thank you for your dedication to this cause and hard work. Keep up the outstanding work!

Sincerely,
