Dear Friends:

I am honored to welcome you to the Cystic Fibrosis Foundation's Annual Lost Lake Run. I regret that I am unable to join you in person today for what I hope will be yet another successful and empowering event.

Far too many of you know from first-hand experience what a cruel disease cystic fibrosis is. My heart goes out to all of the friends, families, and individuals with CF, and I hope that the Lost Lake Run offers you a strong sense of support, community, and hope.

Every volunteer, family member, donor, researcher, advocate, and participant in this year's Lost Lake Run should feel very proud. In the face of adversity that no one should have to confront, you stand united in the very simple, very powerful mission of adding tomorrows. I applaud all of you for the advancements your collective efforts have made to the cause, in raising both funds and awareness, and I thank you all for the tremendous work you do throughout the year. I am hopeful that your tireless efforts will bring additional research, improved treatments, greater awareness, and many more tomorrows.

Sincerely,

Lisa Murkowski
