Dear Patrick and Christalyn,

Congratulations on the 24th year of the Annual Lost Lake Run!

The dedication of everyone involved in this effort to raise awareness and funds to battle cystic fibrosis (CF) is truly an inspiration. Runners, fundraisers, sponsors, volunteers, researchers, families and those fighting CF are an encouragement for us all. You demonstrate the positive impact and lasting contribution that occurs when a community unites for a cause. On behalf of all Alaskans, I commend your tireless commitment and work to support the Cystic Fibrosis Foundation's efforts to improve the quality of life and to find a cure for the individuals and families who are impacted by this deadly disease.

Your efforts and passion have paid off in making this a successful fund raiser to find a cure and control for cystic fibrosis. Our daughter-in-law, Sabrina Smith Walker and our son, Adam, will be in the race. Donna and I will attend as well to assist at the finish line. We wish you all the best for another successful event.

Sincerely,

A handwritten signature in blue ink that reads "Bill Walker".
