RE: 2015 Lost Lake *Breath of Life* Run

Dear Patrick & Christalyn:

On behalf of the City of Seward and the community, I would like to commend you for coordinating the 2015 Lost Lake *Breath of Life* Run. You both certainly deserve recognition for carrying on this successful fundraising event!

The Lost Lake *Breath of Life* Run, which began in 1992 by our city's own Marsha Vincent, is now one of the biggest foot races in southcentral Alaska. The growth and popularity of this race is due to the dedication and support of organizers like you, and all the generous sponsors, volunteers and runners.

I wish you a wildly successful race this year, and I thank you for your tireless efforts!

Sincerely,

A handwritten signature in cursive script that reads "Jean M. Bardarson".
